were the roads had got bad.

Secretary's report.

The man had been paid
who had put our ~~water~~ concrete down
water supply

The $\frac{3}{4}$ main was now in in
the top road, altogether we had spent
£500.00 which was a cheap job. A Mr
Baldwin had refused to have a tank
on his plot so this had now been
repeated. We had now achieved all that
that we set out to do 3 years ago. And
there were no plans to extend the supply

at the moment
new small shed

concrete base had been
done at the cost of \$35-00 and lots
of other jobs done.

Electric supply

The cost of this had been
paid for and we expect the work to
be done soon.

Tree our remaining diseased tree had
now been felled.

Roof of large shed (waterproofing)

This was nearly completed
by the scouts.

Back flats.

a lot of these were now
appearing so an inspection was needed
this would be done in the week.

Shed application

A Mr. Grindler plot one
had applied for a shed, this would be
alright.

Stock.

Bulbs had been ordered, tools also,
these were $\frac{1}{2}$ price approx. Must seeds
had been ordered.

Treasurer's report.

Next account the S.F.B.
had been paid for the electric ^{work} this was
\$77-50 water and cementing had
cost \$253-80 so \$50-31 left \$50-00
had been borrowed from the general
account so with bills to pay i.e.
scouts and grass cutting we now had

nothing left till the next next period.
General account.

\$298-09 sales since
the last committee meeting. Balance
was \$1,045-27 bills paid \$279-37 so
actual balance \$515-90. Mr. A. Smith
asked if we could leave the \$50 that
had been borrowed from the General
Account. Mr. Straud said no it causes
complications this point was taken.

A. O. B.

There was concern over the state
of the sleeping policemen in our
access road.

There being no further business the
meeting closed at 9-00 clock. The next
meeting to be on September 12th at 9-30pm
in Montmer Hall.
