

Minutes of the Court Place Steam Reliance
Association Committee meeting, held in
Monticor Hall on Tuesday 4th May 1876
at 8-00 P.M.

Members present

Mr. Hall, Mr. Pinfold, Mr.
Bradbury, Mr. A. Smith, Mr. West, Mr.
Strand, Mr. Stone, Mr. Dorney, Mr. Husker
Mr. Nicholls, Mr. Perkins. Mr. G. Smith.

Apologies for absence

Mr. J. Hall.

Minutes of the last meeting

Read and

approved as a true record by Mr
A. Smith seconded by Mr. Dorney
Vote unanimous

Matters arising

Mr. Nicholls said re the
letter concerning his son Apple also
this had not been received. Mr. Hall
said this would be done.

After Mr. Pinfold said yesterday still
to be fitted to new tank and the
lock on the other tank will have to
be cut off as the key will not turn
in the lock

Mr. Dorney said that some persons
in the field opening up were taking
water from our tanks for their cows
and as our water is metered this was
costing us money. Mr. Strand said

permission had not been given for the owners to take our water and he would put a notice up.

Mr Perkins said write to Mr Collier (a horse owner) and ask if he will contribute to our water cost.

Mr Webb said the committee will tell horse owners if they are seen taking water.

Mr Perkins asked how much is our water costing us Mr Stroud said \$1-90 per 1,000 gallons

Mr Webb complained about one of the water taps left in situ saying a plat Mr Perkins said chalked valves should be fitted. Mr Stroud said there was difficulty in fitting ball valves.

Mr Perkins said the cost of fitting ball valves would repay itself in water saved and if someone will design a tank he would get it knocked up

Sec. Gross cutting the grass had not ~~been~~ ^{been} seen cut and allotted had been when this was to be done. The shed not purchased any grass yet as the money was all in the bank Mrs Hall said the money has to come from the rent account. Mr Stroud said the grass will be cut next week

It was suggested that we buy 10 gallons of petrol from the petrol

station and they were it so required
Mr. Perkins said pay the men who
is to cut the grass \$5 plus petrol
money.

Mr. Smith said in the situation money
should come from Treasurer not
Secretary.

Heads there had now all been paid.

Secretary
Mr. A. Smith said, ^{had} the \$25 been paid
to help pay for the water supply.
we hoped to connect to from the
Marston Farm Council.

Mr. Howard said this way only can
offer and Mr. Russell of the estates
had said offer nothing and leave
it to him. It seems that our system
has no checks but the council are
going to test it and if no good
we may get a 1" man put in out
of next years council estimate.

Proposed they now a Smith that the
£25 be left in absence and not
paid to Marston Farm Council in
view of the Secretary's report.

Seconded by Mr. Perkins that Mr. Howard
Mr. Howard said we had got talks
of a letter to Marston Farm Council
from the estates saying they will
deal with it.

Secretary reported the new water
had been purchased at 12 1/2% VAT.
and we had one old another
manor and made £8 profit.

Deaf Officer he had looked around

the note to see if he could do anything to help our rabbit problem. He had noted that the rabbit was around was a disgrace and what could be do. He recommended a man who would see to the rabbit but would charge between \$15 - \$50 for his services.

Mr Perkins said I thought getting rid of rats was free.

Mr James said the rabbit he had seen were small ones Mr James said the dog ones come out at night

Mr Perkins asked how are our rabbits to be exterminated so some goes that can be used are toxic to human beings. Mr Howard said he didn't know. Mr Perkins said he was concerned. Mr James said James and dogs were needed not goes and one of the reasons we had them was there was maver and migration in the thirvinge which formed our allotment area. Mr Perkins said he was concerned about going and wanted assurance that this would not be used. Mr Howard said they would be caught at night.

Proposed from Mr Perkins that he wanted an assurance from the committee executive that no goes harmful to human is being used for the extermination of vermin on

the association allotment area to the
west of their ~~property~~ knowledge
seconded by Mr. Payfold
amendment from Mr. & Smith. Under
the go so used by a declined post
officer. seconded by Mr. Starnes
state \$ for 3 against 1 abstain.
Mr. Starnes said we should cut the
undergrowth Mr. Starnes said don't they
come from outside our area?
Mr. Perkins said he agreed with around
next. Sunday Mr. Starnes said let's walk
around Sunday and have a go
at taking up Mr. Perkins said
we walk round and tell all the
about what the post officer had
said. Mr. Starnes suggested putting
notice to all the.

Mr. Starnes said we should be sitting
chadgo ourselves
proposed from Mr. Perkins that the
committee report to the they met
Sunday with the purpose of getting
into groups and explaining to all the
that if they don't clean up it will
cost them \$50 seconded by Mr. &
Smith state Mr. Starnes.

Pat Mr. Starnes said there was complaint
about paths from all the and the
main path to the right of the main
gate was still to be straightened
Mr. Starnes said in the road through
the main gate a night of work
answer No. Mr. Starnes said people were

using it and some committee men
approach people seeing it answer No.
Mr Jackson stated that a larger agr
was needed on our main plot to
inform people it was private and
this was agreed

And still we were doing good
trading but it was becoming more
difficult to get supplies there was
a big order coming next week.

Spokane, Livingston at half price.
Some were still coming last order

Thursday for fertilizer

Mr Bailey had asked permission
for a shed to be erected on his
plot. There was a large compost
pae on this plot and this was
felt to be too big.

And that Mr Livingston and Mr
O'Keefe had still done nothing and
they must cultivate before shed can
erected. It was reported that Mr Cam-
-ton was leaving a go tonight.

Mr Brackley said he was concerned
that other people's plots were being
planted by their men Mr Welch said
he was only asking Mr Livingston
and we may be doing him a favour.
Mr Brackley said only three people
went to view the new mower when
it should have been four Mr
Howard said there had been difficulty
in getting four Mr Brackley said
Mr Adams was available but not
used. Mr Welch said lot of committee

men were asked about being good traveling
there was difficulty in getting four
people Mr. Broadway said Mr. Adams
was available nothing, Mr. James said
he also was available and gave his
phone number to the chairman
Mr. Wells said it was through our
suggestion that people had been
over-loaded

Mr. Hall said the good points were
being overlooked regarding the
purchase of the mowers.

Business Report

Rents were now all in
the had \$771 and the mowers to be paid
out of this general account was
approx. \$200 Mr. McCall said that
much was the new mowers Mr. Howard
said about \$80 which included blades
they and grass box. Stock in hand
the was not counted in the sum
given Mr. Jenkins said would V.H.T.
be necessary on that sale. Mr. Howard
said no. Value of stock in hand
not known yet.

Any other business Mr. Broadway said
what is notified business as shown on
agenda committee no nothing about
this. Mr. Howard said this is the Agk
Secretary get figures etc. Mr. Wells
said we will have notified and
any other business

Rolls. Mr. Jenkins said Mr. Henry is
complaining about rats he has caught
some but doesn't consider rat catching

his job. Then Mr Perkins that the
proposed approach the appropriate body
with a view to getting the rest of
our ditch project funded by Mr
Hornby that announced.
Mr A Smith said were also this went
in our list of priorities Mr A Smith
said that up to the floor
Mr Perkins said joining the ditch
would provide additional car parking
space also could Mr Hornby be told
of committee decision
Plato. Mr Hornby said trenches
were being put around plots
this would be installed in January.

Car parks. Mr Bradbury said there
are not being used and is it
worth the effort to make these.
It was felt that the car parks were
being used but not fully used due
to the state of parts of them. Mr
Hornby said earth was coming to
level these up
Fences. Mr A Smith said the fence by
the main gate was being broken.
down it was suggested that barbed wire
be put around it. Mr Perkins said
barbed wire was dangerous to children
and around the post was dangerous
Mr A Smith said it was our old gate
in the ~~big~~ hedge and people thought
they could open it. Mr Perkins said
the best idea was to plant

Quicktown.

There being no other business the meeting closed at 10 pm the next meeting to be held on the 8th June 1976 at 8-00 pm. in minutes Hall
