Newsletter

This was requested from the Secretary for distribution before the A.G.M. It needed to be brief and explain the position on the site regarding committee and problems regarding the running of the Shed. The Secretary agreed to do this.

Secretary's Report

A letter had been received from the Council threatening to put up rents on association Sheds. But at a Council meeting this threat had been squashed. Our ground rent would now be £15-00 per acre for 2 years and then £25-00 per acre for 5 years.

Mr Stroud asked if we should accept this on behalf of committee Mr Jondy proposed yes Mr A Smith seconded and vote unanimous. It was felt that the new ground rent would leave us a bit short in the rent account.

Site Shed

A porch was needed on our wooden shed. to aid unloading and it would cost approx £150-00. Mr Smith (A) proposed that a porch costing a maximum of £120-00 be proceeded with, if a contractor could be found O.K. to the

Secretary. Seconded by Mr Short vote
unanimous.

Water Supply.

This needs improving to some
