the financially after the fire, the Secretary  
thought about even.  
New Scout hut there was concern about  
a possible drainage problem from this.

Secretary's report. New Amenity building  
an Oxford city council surveyor had

examined the base where the burnt down  
shop had stood and concluded it was  
no good for the new Amenity building,  
so this would have to be rectified.  
If we got the new building we would  
use this as our shop as then all  
stock for sale would be under one  
roof.

A new chumalaw is threatening  
to cause a problem on our west boundary

for us.
