as a true record by Mr Carr, Seconded by
Mr Cann and all agreed.

Matters arising Insurance, this would be raised
in item seven of the agenda

Water abuse Mr Ricketts had been sent
a letter regarding illegal abuse by using
a hose pipe direct on his plot. He had
apologised and promised there would be
no recurrence.

Chairman's report. Oxford road hedge Mr Savin
had cut the top it would not now
need cutting until the spring.

Site potatoe crop. The potatoes planted to keep
plots clean had now died off and were
being lifted. We were selling some for

10p a pound. Those that did the work had what they required, also a record had been kept on the various performance.

Police needles and other things were being investigated by the Police if anyone finds any there is a help line to ring so they can be disposed of. All car number we don't recognize to be noted with the description of vehicle and this will be passed to police. We also have full backing from the Police to lock our access gate from Baults lane.

Lord mayor a site inspection had been made by the Lord mayor. We had put on a display of crops grown on site which was impressive and had not been done before.

Security a Mr Crawford from Oxford city council had been shown the state of our entrance gate and needle problem. He asked that the press should not be told and help could be expected from the council.

Chairman request the chairman Mr Gurney asked committee not to discuss the lease with members as this was causing dissent.

Secretary report Mr Conn reported lots of cars coming on site not known to us and some had been dumped and burnt.

Equipment The Hayter had been repaired the
Mowfield had been fitted with new blade
and the "Snapper" had been re-sharpened.
