Mr Sandy Seconded by Mr Robinson.

Matters arising wheeled Strimmer - we now
have one and it is proving a very useful
machine.

Insurance Mr Savin reported that all members
of the association ^{who} use our machinery ^{go or} at
their own risk and that includes committee
persons. Also only committee persons are
permitted to use our machinery.

The bungalow belonging to a Mr Price was
still unoccupied but dumping of rubbish
had now ceased.

Friends of the Earth we are still awaiting
a ~~press~~ reply to our positive response to
fruit trees being planted in designated areas
on the site.

Hazards this matter was raised at the AGM

and a trial period for use is now in operation.

Sec. Report

The Secretary reported good relationships with Oxford City Council. they had ploughed plots, and were also removing a fallen tree from our North Boundary. Hedges would also be trimmed. The council were also discussing with Marston Parish Council the replacing of the bridge on our north Boundary which carries the foot of way over the North Boundary ditch. A new Entrance gate would be beneficial and this would be discussed - Mr Savin and Mr Jandy had been to a Federation meeting. All Secretaries had the usual means but Oxford sites were reasonably healthy. Your Strimmers had been issued we had one.

A.C.B.

Auckland Cup Oxford had won this cup for the best sites

Reps for Federation meeting. These would be Mr Jandy and Mr Savin all agreed.

Allotments competition. These would be held this year for under 25 O.A.P. over 75's and the rest.

Allotments and leisure gardens. These people give advice about seeds, theft. and insurance should we join. After discussion it was decided it was not worth it.

North Boundary.

The willow trees in the lower field had been cut by members.

Water.

Two new water troughs were being put in and would be operational end of May.

Allottees. Our population was steady and all the nests were in.
