

Minutes of the Court Place Farm Allotments committee meeting held in Mortimer Hall old warston on 24 August 1994 the meeting commenced at 7-35 PM

Members present Mr Wheable, Mr Shuckan, Mr Wietz, Mr Gurney, Mr Savin, Mr Carr, Mr Cann, Mr Menzey, Mrs Allen,

Apologies for absence. None.

A.G.M. Mr Shuckan read out the Bulletin points of the A.G.M. to refresh committee on what was discussed.

Ground rent we had now been told of our official ground rent from the council. This year £40-00 per acre increasing over 3 years to £50-00 per acre so future regular rent rises from allottees will have to be expected.

Waspire Ban.

There appeared to be no problem with the Waspire ban. A report of Beer cooling in a water tank by visitors to our site presented no problem as they were well behaved and caused no problem.

Associate membership Mr Cann to put up sign to inform non-members of 50p fee.

Encouraging people to be allottees

Discussion

took place on how to encourage people to become allottees. We could advertise in the Parish magazine for a donation to the church. A Flysheet in the "Oxford Star" was suggested and will be pursued. An approach to ^{headmaster} the ~~regarding~~ school children taking spare plots was suggested. but this caused unease. Proposal from Mr Savin that we do not approach schools to make use of spare plots was seconded by Mr Varney and the vote 5 for & against so there will be no approach.

Mower It was suggested that we purchase a new mower for between £500 + £600 the old machine would be sold to make room, Mr Wheable and Mr Savin to view.

Strimmer Mr Cann suggested we buy another Strimmer this being proposed was seconded by Mr Varney and vote unanimous

Site Work Mr Wheable presented facts about work on site that need consideration buildings, hedges, bridges, guard rails, ditches. And these items amount to approx £300-
idea from member

an allottee had requested the use of a hosepipe on his plot due to being old and registered Disabled. It was decided that this member had used water heavily in the past

Proposal from Mr Shahan that the member
be allowed to use a hosepipe for the filling
of water butts only. Seconded by Mr Carr.
6 for the proposal, 1 against 2 abstain
carried.

Theft of produce

again a state of theft we
must all be vigilant.

The meeting then closed the next committee
meeting to be on Sept 14th 1994

H. Shahan.
(Min Secretary)
