We her reported the situation in general was still good although the Unions do with more voluntary help in carrying out the many duties which were necessary during the summer months, i.e. from cutting seedlings eliciting etc. It was still noted that collections were still reduced to depend their multirid in the old fund. in a poorer manner which necessitated committee members have to spend valuable time in cleaning up after them. The flower show was an outstanding success from all angles the exhibits some of a high standard and the number of exhibitors had increased. It was noted that Mr W T Grant of Haverhill left his premises and won the Mr M L B for transporting them back.
