read and confirmed by Mr Moulder.

See by Mr Moulder.

Sec. Report. Sec reported a fairly successful year although
there was a falling off in the demand for
Attestments. The cultivation and general
husbandry of the plots was very good and it
is with pleasure I report that Mr Moulder gave
the 1st Attestment Competition in his first
attempt. Prizing was not so good members seemed
not to want to take advantage of the seeds.
and good potatoes offered and quite a quantity
of less usual beans were left in our hands. A
few hundred weights of potatoes had to be changed
and some sold cheaply. I am sure that
the sale of seeds etc is not adequate to their
costs should any at the A.G.M. as the
Association is in no position to stand these
losses. The committee and checkers were thanked

There were no matters arising. Adjourned Mr J. Green.

Secretary's report.

It was reported that there was a falling off in the demand for a No. 1 and the position would have to be closely watched as the balance of cash to hand would not allow much to be spent on improvements. The general health of the club was quite good but there were a few members who would have to be named about the bad state of their plots. Aultis were still about and permission had been given to two people to enter the allotments as short there. He again reported a falling off of trees and felt that
